Sub: Clarification on price movement

Dear Sir/Madam,

This is with reference to clarification sought by the exchange from the Company on June 29, 2022, disseminated the same by the exchange in Corporate Announcement section of the Company on June 30, 2022 relating to significant movement in the price in the shares of the Company.

In connection to that I the undersigned would like to submit that the Company has been regularly sharing all the necessary information/announcements that have or may have a bearing on the operation/performance of the Company including all price sensitive information with the stock exchange.

Please note that the Company has made all disclosures and announcement as required under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended in time frame and manner and the Company has never withheld any information / material information / event that in our opinion has any kind of bearing on the price/volume movement behaviour in scrip of the Company.

Please note that none of the Promoter or Director/KMP has made any dealing in the shares of the Company and the Company has continuously and strictly followed all the Listing Norms and SEBI (PIT and SAST) norms for disclosures and made all material information and announcements public on regular basis.

We believe that any spurt or significant movement in the share price is purely market driven and the Company and any of its Promoters, Directors/KMPs has no role in connection with such increase in price of shares.

The Company reiterates its adherence to the requirements laid down in Regulation 30 of the SEBI's (LODR) Regulations, 2015 and will keep the Stock Exchange duly informed of any information as required under the said regulations as and when any such event occurs.

Please take the above clarification on your record.

Thanking you,
Yours Faithfully
