IMPORTANT COMMUNICATION TO MEMBERS – GREEN INITIATIVE IN CORPORATE GOVERNANCE

The Ministry of Corporate Affairs (MCA) has taken a Green Initiative in Corporate Governance by allowing paperless compliances by the Companies and has issued a Circular stating that service of all documents including Annual Reports can be sent by e-mail to its Members. Your Company believes that this is a remarkable and environment friendly initiative by MCA and requests all Members to support in this noble cause. The Company has already embarked on this initiative and proposes to send documents including Annual Reports in electronic form to the Members on the email addresses provided by them to the R&T Agent/the Depositories. The Members who hold shares in physical form are requested to intimate/update their email addresses with the Company/R&T Agent while Members holding shares in Demat form can intimate/update their email addresses with their respective Depository Participants. Members are requested to further note that they are entitled to receive, free of cost, a printed copy of the Annual Report of the Company.

Notes:

- 1 The additional details of the Director retiring by rotation, pursuant to Regulation 36(3) of the Securities and Exchange Board of India (“SEBI”) (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the SEBI Listing Regulations”) and pursuant to the Secretarial Standards issued by the Institute of Company Secretaries of India, is annexed as Annexure I and forms part of this Notice.
- 2 Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017, which came into effect from 7th May 2018, the requirement of seeking ratification of the Members for the appointment of the Statutory Auditor has been withdrawn from the Statute. Accordingly, no resolution is proposed for ratification of appointment of M/s. Motilal & Associates., Chartered Accountants, (FRN 106584W), Statutory Auditors, who were appointed in the Annual General Meeting held on September 27, 2020.
- 3 The Ministry of Corporate Affairs (‘MCA’) has vide its General Circular No. 14/2020 dated 8th April, 2020, General Circular No. 17/2020 dated 13th April, 2020, General Circular No. 20/2020 dated 5th May, 2020, General Circular No.22/2020 dated 15th June, 2020, General Circular No. 33/2020 dated 28th September, 2020, General Circular No. 39/2020 dated 31st December, 2020, General Circular No. 10/2021 dated 23rd June, 2021, General Circular No. 20/2021 dated 8th December, 2021, General Circular No. 3/2022 dated 5th May, 2022, General Circular No. 11/2022 dated 28th December, 2022 and the Securities and Exchange Board of India (“SEBI”) vide its Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January 2021, Circular No SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022 and Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 (collectively referred to as ‘MCA and SEBI Circulars’) permitted the holding of the Annual General Meeting (‘AGM’) through Video Conferencing (‘VC’) facility/Other Audio Visual Means (‘OAVM’), without the physical presence of the Shareholders at a common venue.

In compliance with the applicable provisions of the Companies Act, 2013 ('the Act'), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') and MCA Circulars, this AGM of the Company is being held through VC/ OAVM. Shareholders attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

- 4 Pursuant to the provisions of the Companies Act, 2013 ("the Act"), a Member, entitled to attend and vote at the Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this Meeting will be held through VC/OAVM, in accordance with the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Meeting and hence the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- 5 Corporate Members intending to authorize their representatives to participate and vote at the meeting, pursuant to Section 113 of the Act, are requested to email a certified copy of the Board resolution/ authorization letter to the Company at sparcelectrex@gmail.com or shall upload the same on the VC portal/ e-voting portal.
- 6 Notice is also given under Section 91 of the Act read with Regulation 42 of the SEBI Listing Regulations that the Register of Beneficial Owners, Register of Members and Share Transfer Books of the Company will remain closed from Thursday, 21st September, 2023 to Thursday, 28th September, 2023 (both days inclusive).
- 7 Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- 8 The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis. The detailed instructions for joining the Meeting through VC/OAVM forms part of this notes.
- 9 In line with the MCA Circulars, the Notice calling the AGM along with Annual Report 2022-23 is being sent only through electronic mode to those members whose e-mail address is registered with the Company or the Depository Participant(s). Members may note that the Notice of AGM along with Annual Report has also been uploaded on the website of the Company at <https://sparcelectrex.com/annual-reports/> and website of BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-voting facility and e-voting system during the AGM) at www.evotingindia.com. Members (Physical / Demat) who have not registered their email addresses with the company can get the same registered with the company by requesting to our Registrar and Share Transfer Agent ("RTA") i.e. Universal Capital Securities Private Limited at info@uniseq.in and to the Company at sparcelectrex@gmail.com.
- 10 As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Shareholders in respect of the shares held by them. Shareholders who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The form can be downloaded from the Company's website at <https://sparcelectrex.com/miscellaneous/>. Shareholders are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the Registrar and Transfer Agents ("RTA"), Universal Capital Securities Private Limited, in case the shares are held in physical form.
- 11 The Securities and Exchange Board of India ("SEBI") has made it mandatory for all companies to use the bank account details furnished by the Depositories for any payment (including dividend) through Electronic Clearing Service ("ECS") to investors. In the absence of ECS facility, companies shall mandatorily print the bank account details of the investors on such payment instruments. Members are encouraged to avail ECS facility and requested to update bank account details in the prescribed form to their respective Depository Participant(s) and/or the Company's R&T Agents.
- 12 Members who have not registered their e-mail ID so far are requested to register the same for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company in electronic form.
- 13 Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail ID, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their respective Depository Participant(s) in case the shares are held in electronic form and to the Company's R&T Agents in case the shares are held in physical form.
- 14 Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, has mandated the listed companies to issue securities in dematerialized form only while processing service

requests viz. Issue of duplicate securities certificate; claim from unclaimed dividend account; exchange of securities certificate; sub-division of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR - 4, on the website of the Company's Registrar and Transfer Agents, Universal Capital Securities Private Limited at <https://www.unisec.in/client-downloads.html>. It may be noted that any service request can be processed only after the folio is KYC Compliant.

- 15 SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or Universal Capital Securities Private Limited, for assistance in this regard.
- 16 To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
- 17 Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to the Company's Registrar and Transfer Agents, for consolidation into a single folio.
- 18 The Members are requested to notify promptly any change in their address to the Company or their depository participant, as the case may be.
- 19 The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form shall provide their PAN details to the Company/Registrars and Transfer Agent, M/s Universal Securities Private Limited.
- 20 The Securities Exchange Board of India vide its Circular no. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16th March, 2023 has made it mandatory to furnish PAN, Nomination / Declaration to opt-out of Nomination, Contact details, Bank Account details and Specimen Signature by Physical Shareholders. The folios wherein any one of the cited document/details are not available on or after October 1, 2023, the folios shall be frozen by the RTA.

Keeping the above statutory requirements in view, the Company has already sent letters to the concerned shareholders holding shares in physical form requesting them to furnish valid PAN, Nomination / Declaration to opt-out of Nomination, Contact details, Bank Account details and Specimen Signature immediately to the RTA of the Company M/s Universal Capital Securities Private Limited at their e-mail: info@unisec.in in the prescribed Form to ensure that their folios are not frozen after 1st October, 2023.

- 21 Members seeking any information or clarifications on the Annual Report are requested to send their queries to the Company on Companies e-mail id i.e sparcelectrex@gmail.com, in at least 7 days prior to the Meeting, to enable the Company to compile the information and provide replies at the Meeting.
- 22 Speaker Registration/Questions for the Meeting: Members, who would like to express their views/have questions are requested to send registrations along with the questions in advance mentioning their name, demat account number/folio number, email id, mobile number at sparcelectrex@gmail.com, on or before September 21, 2023. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the Meeting. The Company reserves the right to restrict the number of questions/speakers depending on the availability of time for the Meeting.
- 23 The remote e-voting facility will be available during the following voting period:
Commencement of remote E-voting: From 09.00 a.m. (IST) on Monday, September 25, 2023
End of remote e-voting: Upto 05.00 p.m. (IST) on Wednesday, September 27, 2023.
- 24 The facility for remote e-voting shall be provided at the Meeting. Members attending the Meeting who have not cast their vote earlier by remote e-voting shall be entitled to vote at the Meeting. A Member can participate in the Meeting even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the Meeting.
- 25 Mr. Pankaj Trivedi, Practicing Company Secretary (Certificate of Practice No. 15301), Proprietor of M/s. Pankaj Trivedi & Co., has been appointed as the Scrutinizer to scrutinize the voting process in a fair and transparent manner.
- 26 A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date i.e. Thursday, 21st September, 2023 ("Cut-off date") only shall be entitled to avail the facility of remote e-voting or voting at the Meeting, as the case may be, in proportion to the shares held by them as on the Cut-off date. A person who is not a member as on the cut-off date should treat this Notice for information purposes only.
- 27 Any person who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and

holding shares as of the cut-off date, may obtain the login ID and password by sending a request at www.evotingindia.com. However, if he/she is already registered user for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.

- 28 In case all the joint holders are attending the Meeting, the Member whose name appears as first holder in the order of names as per Register of Members of the Company will be entitled to vote at the Meeting.
- 29 The facility of voting will be provided at the Meeting for the Members attending the Meeting and who have not cast their vote earlier by remote e-voting.
- 30 Once the Member has casted his/her vote on the resolution(s), he/she will not be allowed to modify his/her vote or to cast the vote again.
- 31 During the AGM remote e-voting module will be enabled for e-voting and the same will be open for 15 minutes after conclusion of the meeting.
- 32 The results on above resolutions shall be declared not later than two working days from the conclusion of the AGM of the Company and the resolutions will be deemed to be passed on the AGM date subject to receipt of the requisite number of votes in favor of the resolutions.
- 33 The results of voting declared along with Scrutinizer's Report(s) will be published on the website of the Company www.sparcelectrex.com and on the website of CDSL at www.evotingindia.com and the same shall also be simultaneously communicated to the BSE Limited.
- 34 Instructions for e-voting and attending the Annual General Meeting is annexed and forms part of this Notice.
- 35 Considering the Meeting would be held through VC/ OAVM, the proxy form, attendance slip and route map for the venue is not annexed to the Notice. The deemed venue for the AGM shall be the Registered Office of the Company.

INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, 25th September, 2023 (09.00 a.m. IST) and ends on Wednesday, 27th September, 2023 (05.00 p.m. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Thursday, 21st September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that participation by the public non-institutional shareholders/retail shareholders is at negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Board Procedure- Information Flow to the Board Members:

Information is provided to the Board Members on a continuous basis for their review, inputs and approval from time to time. More specifically, we present our annual Strategic Plan and Operating Plans of our business to the Board for their review, inputs and approval. Likewise, our quarterly financial results and annual financial results are first presented to the Audit Committee and subsequently to the Board of Directors for their approval. In addition, specific cases of fund raising, important managerial decisions, material positive/ negative developments and statutory matters are presented to the respective Committees of the Board and later with the recommendation of Committees to the Board for their approval.

As a system, in most cases, information to Directors is submitted along with the agenda papers well in advance of the Board meeting. Inputs and feedback of Board Members are taken and considered while preparation of agenda and documents for the Board meeting. The Board periodically reviews Compliance Reports in respect of various laws and regulations applicable to the Company.

Directors’ Responsibility Statement:

In accordance with the provisions of Section 134 (3) (c) of the Companies Act, 2013, and based on the information provided by management, the Directors of the Company to the best of their knowledge hereby state and confirm that:

- c. Proper and sufficient care have been taken to the best of their knowledge and ability for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- d. The Annual Accounts of the Company have been prepared on an on-going concern basis.
- e. That they have laid down internal financial controls commensurate with the size of the Company and that such financial controls were adequate and were operating effectively.
- f. That they have devised proper system to ensure compliance with the provisions of all applicable laws and that such system are adequate and operating effectively.

Board Diversity

The Company recognizes and embraces the importance of a diverse board in its success. The Company believes that a truly diverse board will leverage differences in thought, perspective, knowledge, skill, regional and industry experience, cultural and geographical background, age, ethnicity, race and gender, which will help the Company to retain its competitive advantage. The Board has adopted the Board Diversity Policy which sets out the approach to diversity of the Board of Directors. The same is available on the website of the Company: <https://sparcelectrex.com/wp-content/uploads/2022/11/Board-Diversity-Policy-Sparc.pdf>

Evaluation of Board of Directors:

In line with the statutory requirements enshrined under the Companies Act, 2013 and the Listing Regulations, the Board carried out a performance evaluation of itself, its Committees, the Chairman and each of the other Directors.

The performance evaluation was carried out on the basis of framework approved by the Nomination and Remuneration Committee. The Board sought the feedback of Directors on various parameters including:

- Degree of fulfilment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, adherence to the Code of Conduct, contribution at meetings and inputs regarding the growth and performance of the Company in the long-term strategic planning, decision-making, action-oriented, external knowledge etc);
- Structure, composition, quality and clarity in role of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;

- Effectiveness of the deliberations and process management;
- Board/Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

Based on the suggestive parameters approved by the Nomination and Remuneration Committee, the following evaluations were carried out:

- Review of performance of the Non- Independent Directors and Board as a whole by Independent Directors.
- Review of the performance of the Chairperson by the Independent Directors.
- Review of Board as a whole by all the Members of the Board.
- Review of all Board Committees by all the Members of the Board.
- Review of Individual Directors by rest of the Board Members except the Director being evaluated.

Manner of Board Evaluation:

The Nomination and Remuneration Committee approved a framework in the form of a questionnaire for annual evaluation of the Board, Board Committees and Individual Directors. During the year, Board Evaluation cycle was completed by the Company internally which included the evaluation of the Board as a whole, Board Committees and of the Directors.

The performance of the Directors was evaluated after seeking inputs from all the Directors other than the one who is being evaluated and the performance of the Committees was evaluated after seeking the inputs of committee members on the criteria such as understanding the terms of reference, committee composition, independence, contributions to Board decisions, etc. The evaluation was also based on the criteria such as Director's knowledge, understanding and commitment of their role, Company's vision and mission, market potential, qualification, skill and experience, openness in communication, etc. The above criteria are as provided by the Guidance Note on the Board Evaluation issued by the Securities and Exchange Board of India.

In a separate meeting of Independent Directors, performance of Non-Independent Directors and the Board as a whole was evaluated. The Independent Directors in the said meeting also evaluated the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties. Additionally, the Chairman of the Board was also evaluated on key aspects of his role, taking into account the views of Executive Directors and Non-Independent Directors in the aforesaid meeting.

The Performance evaluation of Independent Directors was done by the entire board, excluding the Independent Director being evaluated. The evaluations were then discussed in the Board Meeting, the meeting of the Independent Directors and at Nomination and Remuneration Committee.

The Board evaluation report is then submitted to the Chairman of the Board and the Chairman of Nomination and Remuneration Committee. The Chairman of the Board discussed the outcome of evaluation of the individual Directors separately with them in detail. The evaluation report contains an executive summary of findings and several key recommendations from the evaluation process. The report of the Board evaluation was adopted by the Nomination and Remuneration Committee and the Board.

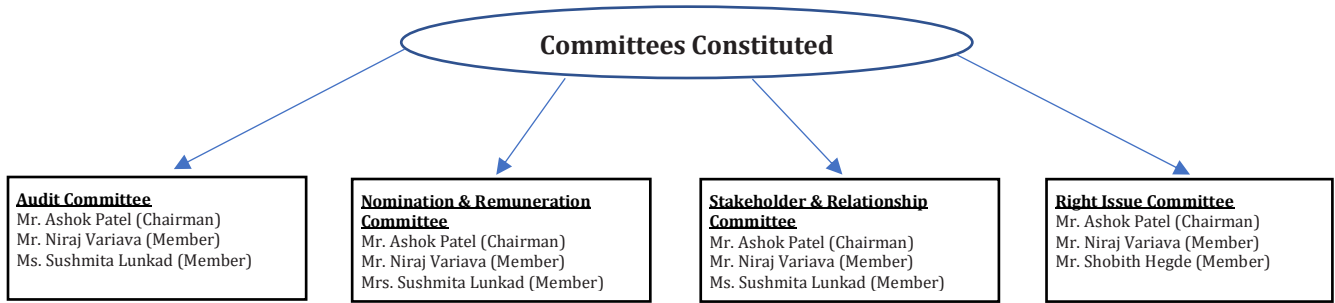

In the evaluation of the Board and its Committees, the following major observations/suggestions emerged:

- There should be a strong focus on compliance and governance, good engagement on key business issues, and increasing focus on the core business;
- The Board needed to consider talent across various functions including management, technical and operational for strategizing the company to the next level.
- The Board should ensure that the Company follows a policy of zero tolerance for all ethical violations or misconducts and an increased focus on safety is essential and should be emphasized across the Company;
- The Board also noted that given the changing external environment the Company should be prepared for any likely disruption.
- The Board agreed that the organization was focused in the right direction of creating a 'purpose-driven' organisation.
- The need for having better understanding of competitive landscape in a dynamic business environment and importance of being updated in the emerging technology areas relevant for the Company.

F. USEFUL INFORMATION FOR SHAREHOLDERS:

- **Share Transfer System**

The Board of Directors have delegated the power of dealing with the transfer, transmission of shares and other matters like consolidation of share certificates, issue of duplicate share certificates, dematerialization/rematerialization of shares, to Registrar & Share Transfer Agents (R&T Agent) of the Company. All the matters are dealt by and processed by the R&T Agent regularly and is approved by the Stakeholders Relationship Committee of the Company or the authorized signatories of the Company.

The Company obtains from a Company Secretary in practice yearly certificate of compliance with the share transfer formalities as required under Regulation 40(9) of the Listing Regulations, and files a copy of the same with the BSE.

As per SEBI norms, all requests for transfer of securities including transmission or transposition shall be processed only in dematerialised form.

Shareholders may please note that the SEBI by its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/8 dated 25th January, 2022 has mandated listed companies to issue securities in demat form only while processing service requests viz. issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates / folios; transmission and transposition.

Shareholders are requested to make service requests by submitting a duly filled and signed Form ISR – 4 (Form for various service requests), format of which is available on the weblink of the Company at <https://sparcelectrex.com/wp-content/uploads/2022/07/Form-ISR-4.pdfs>

Shareholders holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat / electronic form to get inherent benefits of dematerialisation and also considering that physical transfer of equity shares / issuance of equity shares in physical form have been disallowed by SEBI.

Holding securities in dematerialized form is beneficial to the investors in the following manner:

- ✓ A safe and convenient way to hold securities;
- ✓ Elimination of risk(s) associated with physical certificates such as bad delivery, fake securities, delays, thefts, etc.;
- ✓ Immediate transfer of securities;
- ✓ No stamp duty on electronic transfer of securities;
- ✓ Reduction in transaction cost;
- ✓ Reduction in paperwork involved in transfer of securities;
- ✓ No odd lot problem, even one share can be traded;
- ✓ Availability of nomination facility;

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
M/s. Sparc Electrex Limited
Mumbai

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practices by M/s. Sparc Electrex Limited (Formerly Known as Sparc Systems Limited) bearing CIN: L31100MH1989PLC053467 (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and return is filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023, has complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers; minutes' books, forms and returns filed and other records maintained by Company for the financial year ended on 31st March, 2023 according to the provisions of:

1. The Companies Act, 2013 ('the Act') and the Rules made there under;
2. The Securities Contracts (Regulation) Act, 1956 and the Rules made there under;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:
 - (i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (ii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (iii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.
 - (iv) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period);**
 - (v) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the Audit Period);**
 - (vi) The Securities and Exchange Board of India (Registrars to an issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable to the Company during the Audit period);**
 - (vii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the Audit period);**
 - (viii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not applicable to the Company during the Audit Period);**

We have been informed by the management of the Company that the Company meticulously follows the provisions of other applicable laws pertaining to the industry to which the Company relates and has devised requisite systems for their desired compliance.

- i. Maharashtra state Tax on Professions, Trades, Callings and Employments Act 1975;
- ii. Shop and Establishment Act, 1948

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India; and
- (ii) The Securities and Exchange Board of India (LODR) Regulations, 2015 (As amended).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to following observations:

1. In terms of Section 77(1) of the Companies' Act, 2013 the Company was required to file CHG-1 within 30 days of instrument creating or modifying charge. However the Company has filed form CHG-1 on 3rd May, 2023 for creation of charge beyond 30 days with late fees for instrument creating charge dated 30th March, 2023.
2. The Company was required to intimate to the exchange under regulation Reg 31A(8) (b), (c) and (d) as an update w.r.t minutes of Board meeting considering application received from promoter seeking re-classification and view of Board on that, status and update of submission of an application made by the Company under Regulation 31 of Listing Regulations to the exchange and decision of the Stock exchange as communicated to the Company.

I further report that:

- (i) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes made in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- (ii) Adequate notice is given to all directors to schedule the Board and Committee Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- (iii) Decisions at the Board Meetings, as represented by the management and recorded in minutes, were taken unanimously.
- (iv) Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.
- (v) There are adequate systems and processes in the Company, commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I, further report that during the audit period followings were the major specific events/actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

During the year under review the Company had resolved to raise money upto Rs.30 crores by way of offering new equity shares to its existing shareholders on rights basis and in connection with the same the Company has submitted the Draft Offer Letter and Final Offer Letter with Exchange and SEBI and the exchange after scrutiny has granted the In-principle approval vide its E-letter DCS/RIGHT/KK/FIP/2902/2022-23 dated 9th December, 2022 to the Company.

In furtherance to said approval the Company in its Board / committee meeting dated February 14, 2023 resolved to issue and allot 1,46,67,000 partly paid-up equity shares of face value of Rs. 10/- each at an issue price of Rs.19/- per share (Incl. premium of Rs.9/- per Share) aggregating to offer size of Rs.27,86,73,000/- to all the eligible equity shareholders of the Company on a rights basis in the ratio of 3 (Three) Right Shares for every 1 (One) equity shares held by such eligible equity Shareholders as on record date February 28, 2023. The Issue was opened on March 14, 2023 and closed on April 12, 2023.

I, further report that during the year under review the Company had sold N.A. land/plot located at Pundhe, Shahapur, admeasuring 485 sq. mtr, along with Factory building constructed therein about 241.8266 Sq. mtr to M/s. Avenue 2 Revenue Services LLP for total consideration of '49.50 lacs which was a highest proposal received by the Company (No valuation report was taken). The above property was sold with the reason that property was purchased by old management more than 30 year back and it now in dilapidated conditions and far away from the present registered office of the Company. The new management has taken the approval of the members in connection with the same of this property through special resolution passed by way of postal ballot on 28th May, 2022.

I, further report that, the reclassification application made by the Company for its ex-promoters under Regulation 31A of Listing Regulations, 2015 dated 03.02.2022 has been rejected by the exchange (BSE) during the year under review. It was explained by the management to me that the, exchange has rejected the application for reclassification made by the Company inspite of the suitable reply given by the Company on queries raised by the exchange on application submitted and Company has asked for specific reason to the exchange vide an email dated 1st December, 2022 but no reply was given by the exchange on the same.

I further report that during the audit period, there were no instances of:

- Redemption/buy-back of securities.
- Issue of Bonus shares / payment of dividend
- Merger/ amalgamation/ reconstruction etc.
- Foreign technical collaborations.

Note: This report is to be read with our letter of even date which is annexed as “ANNEXURE - A” and forms an integral part if this report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

BUSINESS OVERVIEW:

Our Company was originally incorporated under the provisions of The Companies Act, 1956 as 'Sparc Systems Private Limited' on September 14, 1989, with the Registrar of Companies, Maharashtra. In the Financial Year 1994, the Company was converted from Private Limited Company into a Public Limited Company vide Extra-Ordinary General Meeting held on December 03, 1994, and in pursuance of which the private word had been deleted from the name of our Company, effecting the name change to 'Sparc Systems Limited', and a fresh certificate of incorporation consequent upon change of name was granted by the Registrar of Companies, Maharashtra on January 18, 1994. Sparc Systems Limited was engaged in the business of Software and Hardware Electronic Security Solutions. Its Equity Shares got listed on January 22, 1996, with BSE.

During the FY 2021-22, Mrs. Shobha Anant Hegde, M/s. Electrex International Pvt Ltd and M/s. Electrex Power Tools Pvt Ltd (hereinafter collectively referred to as "Acquirers") acquired 13,25,738 equity shares of face value of Rs. 10/- each fully paid of the company aggregating to 27.12% of total share capital, vide an open offer made in compliance with the provisions of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011. After the said acquisition, the erstwhile promoters ceased to be promoters of the company and Mrs. Shobha Anant Hegde, M/s. Electrex International Pvt Ltd and M/s. Electrex Power Tools Pvt Ltd became the new promoters of the Company.

With the change in management, the Company changed its line of business from dealing in Software and Hardware Electronic Security Solutions i.e. office automation tools to Manufacturing and Trading in Power Tools, Electricals, Metals and Metal Products. The said change in the nature of business was approved by the shareholders through Postal ballot on November 29, 2021.

Consequent to change in the business activities and in order to keep the name of the Company in consonance with the new business activities, the Company changed its name from "Sparc Systems Limited" to its present name "Sparc Electrex Limited". The said change of name was approved by shareholders through Postal ballot on November 29, 2021 and a fresh certificate of incorporation dated January 13, 2022, consequent on such change of name was issued to our Company by the Registrar of Companies, Maharashtra.

INDUSTRY STRUCTURE AND DEVELOPMENT

The infrastructure sector is growing rapidly, especially in emerging economies such as China, India, South Africa and Brazil. According to India Brand Equity Foundation (IBEF), India is expected to become third largest construction market globally by 2023. Infrastructural development projects include projects dealing with the development of roads, railways, airports, energy, utilities, commercial and residential buildings. Rapid infrastructure development will lead to increased demand for various power tools such as electric drill machine, hammer drill, impact driver, electric screwdriver and many more. Power Tools are highly adopted by industries such as construction, aerospace, automotive, shipbuilding and energy. Homeowners also utilize them for various residential applications. These factors are expected to propel the Indian Power Tools market growth over the forecast period. The global Indian Power Tools market is expected to reach a market valuation of US\$ 13306.41 million by 2032.

OUTLOOK ON OPPORTUNITIES:

The Management believes that the power tool market is expected to develop due to country's booming industrial sector. The Indian economy has expanded drastically in recent years and is projected to continue growing strongly over the next few years due to increasing FDI equity inflows in automotive, construction, medicines, pharmaceuticals and other sectors. In addition, the Government has taken several aggressive measures, such as the Make in India campaign which is likely to fuel the expansion of the power tool market in India during the coming years.

The company is taking all efforts to improve its sales and to improve the quality of its products to get more orders at competitive rates. The Company has managed a to strike a deal with Hyundai Corporation Holdings Co., Ltd, Korea, wherein the Company has entered into an Exclusive Trademark License Agreement which will help the Company for developing, producing, sourcing, selling, marketing and distributing the Power Tools and other related auxiliary activities in India under the brand HYUNDAI. Now our Company will be able to launch a variety of Power Tools like Drills, Impact Drills, Rotary and Demolition Hammers, Cutters, Angle Grinders, Circular Saws, Planer, Jigsaw, Chop Saw, Miter and Table Saw, High Pressure Washers, Industrial Vacuum Cleaners, Abrasives, Cutting and Grinding Wheels, Saw Blades, Drill Bits etc under "HYUNDAI" brand. The agreement will help the Company to face its competitors aggressively and will help the Company in achieving higher sales and better margin in the future. Barring unforeseen circumstances, the company is confident of achieving better results in the coming year.

OUTLOOK ON THREATS, RISKS AND CONCERNS:

The expansion of the power tool market in India is anticipated to be hampered by the increasing competition from Chinese imports. Due to their competitive prices, industrial tools made in China have a sizable part of the Indian market. Increase in the power tools market in India is also anticipated to be slowed by the ever-changing costs of key inputs. Power tools are made from various materials such as steel, wrought iron, copper, plastic and more. The market value of these resources is highly sensitive to changes in the cost of these components.

Infrastructure sector performance is closely linked to economic recovery and its monetary policies. The Reserve Bank of India has so far maintained accommodative stance as it tries to support economic recovery. However, going ahead we expect to see monetary tightening as the central bank tries to control inflation in the country.

The sector is heavily dependent on manual labour. During the pandemic, the sector was badly hit due to labour availability issues. Hence, there is a need for development of technologically less labour intensive alternative methods of construction. The sector is also a highly regulated sector and any unfavorable changes in government policies and the regulatory environment can adversely impact the performance of the sector. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector.

INTERNAL CONTROL SYSTEMS AND ADEQUACY:

The Company has an Internal Control System commensurate with the size, scale and complexity of its operations. The scope of the Internal Audit is decided by the Audit Committee and the Board. To maintain its objectivity and independence, the Board has appointed an Internal Auditor, which reports to the Audit Committee of the Board on a periodic basis.

The Internal Auditor monitors and evaluates the efficacy and adequacy of Internal control Systems in the Company, its compliance with operating systems, accounting procedures and policies for various functions of the Company. Based on the report of Internal Auditor, management undertakes corrective action wherever required and thereby strengthens the control further.

The Company has policies and procedures in place for ensuring proper and efficient conduct of its business, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records and timely preparation of reliable financial information.

SEGMENT-WISE PERFORMANCE:

The Company operates in two segments which comprises of Manufacturing of Electrical Tools & Service and Trading. During the year, the revenue from operations amounted Rs. 484.80 Lakhs.

FINANCIAL PERFORMANCE:

During the financial year 2022-23, the total revenue on standalone basis decreased to Rs. 525.83 lakhs as against Rs. 1507.32 lakhs in the previous year with a decline of 65.11%. The Profit after tax (PAT) for the current year is Rs. 69.65 lakhs as against Rs. 211.76 lakhs in the previous year, a decrease of 67.11 %.

The management of the Company is very optimistic regarding performance of the Company in future and are taking effective steps to improve the performance of the Company through growth in revenue, managing cost, strategic marketing, increasing brand awareness and brand equity through advertisement campaign. The company has been focusing on strengthening its foothold and up scaling its capabilities to undertake opportunities arising in the sector.

PERFORMANCE OF THE BOARD AND COMMITTEES:

During the year under review, the performance of the Board & Committees and Individual Director(s) based on the below parameters was satisfactory:

- a) Most of the Directors attended the Board meeting;
- b) The remunerations if payable to executive Directors are strictly as per the company and industry policy.
- c) The Independent Directors are entitled to receive sitting fees. However no sitting fees were paid during the year.
- d) The Independent Directors contributed in the Board and committee deliberation and business and operation of the company.
- e) Risk Management Policy was implemented at all critical levels and monitored by the Internal Auditor, who reports to the Board and Audit committee.

HUMAN RESOURCES:

Your Company firmly believes that its human resources are the key enablers for the growth of the Company and are an important asset. Hence, the success of the Company is closely aligned to the goals of the human resources of the Company. Employee relations during the period under review continued to be healthy, cordial and harmonious at all levels and your Company is committed to maintain good relations with the employees

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Sparc Electrex Limited
(Formerly Known as Sparc Systems Limited)
Report on the Audit of the Financial Statements**

Opinion

We have audited the financial statements of SPARC ELECTREX LIMITED (Formerly Known as Sparc Systems Limited) ("the Company"), which comprise the balance sheet as at 31st March 2023, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no Key audit matters to communicate in this report.

Auditor's Response

Our audit procedures included understanding and evaluating processes and controls designed and implemented by the management for assessment of said transaction and testing their operating effectiveness; obtaining the list of documents and communications, inspecting the supporting evidence, legal documents and confirmation reports submitted to us and critically assessing management's evaluation through discussions with management on the said transaction.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of **SPARC ELECTREX LIMITED** (Formerly Known as Sparc Systems Limited) of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SPARC ELECTREX LIMITED (Formerly Known as Sparc Systems Limited)** (“the Company”) as of **March 31, 2023** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**Note 1****A. CORPORATE INFORMATION:**

SPARC ELECTREX LIMITED (Formally Known as SPARC SYSTEMS LIMITED) ('the Company') is in business of Security System. The Company is a public limited company incorporated in India and has its registered office at Mumbai, Maharashtra, India. The Company has its primary listing in BSE Ltd.

B. SIGNIFICANT ACCOUNTING POLICIES:**1 Basis of preparation and presentation**

These financial statements have been prepared in accordance with Indian Accounting standards (hereinafter referred to as the 'Ind AS') notified by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and the relevant provisions of the Act.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March, 2023, the Statement of Profit and Loss for the year ended 31 March 2023, the Statement of Cash Flows for the year ended 31 March 2023 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'financial statements').

These Financial Statements were approved by the Board of Directors and authorised for issue on 25th May, 2023.

The financial statements have been prepared on an accrual system, based on the principle of going concern and under the historical cost convention, unless otherwise stated.

The Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest rupee, unless otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

C. USE OF ESTIMATES:

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

(i) Estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(ii) Deferred tax assets:

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will not recognize Deferred tax asset since it is not probable that taxable profit will be available in future against which the deductible temporary difference can be utilised.

(iii) Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash flow can be reliably estimated. The timing of recognition and quantification of the liability require application of judgement to the existing facts and circumstances which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing the facts and circumstances

D. PROPERTY, PLANT AND EQUIPMENT:**(i) Tangible Assets**

"Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure."

(ii) Intangible Assets

Intangible assets includes software which are not integral part of the hardware are stated at cost less accumulated amortisation. Intangible assets under development represents expenditure incurred in respect of software under development and are carried at cost.

Assets acquired but not ready for use are classified under Capital work-in-progress or intangible assets under development, as the case may be.

E. DEPRECIATION AND AMORTISATION:

The depreciation on Fixed Assets is provided on straight line method, in accordance with the Schedule II to the companies Act, 2013. The depreciation on Assets added during the year has been provided on pro-rata basis with reference to the date on which the assets were put to use. No depreciation has been provided on the fixed assets, which have not been put to use during the year end.

F. FINANCIAL INSTRUMENTS:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets**Initial Recognition**

In the case of financial assets not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost (AC)

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

G. IMPAIRMENT OF FINANCIAL ASSETS:

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

H. DE-RECOGNITION OF FINANCIAL ASSETS:

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

I. FINANCIAL LIABILITIES:**(i) Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

(ii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below.

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

(iii) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(iv) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

J. IMPAIRMENT OF NON-FINANCIAL ASSETS:

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

K. TRADE RECEIVABLES:

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

L. TRADE PAYABLES:

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

M. EARNINGS PER SHARE:

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average

number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

N. CASH AND CASH EQUIVALENTS:

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

O. BORROWING COSTS:

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

P. REVENUE RECOGNITION:

- i) Revenue is recognized when all significant risks and rewards of ownership of the goods are passed on to the buyer and no significant uncertainty exists as to its realization or collection.
- ii) Revenue from sale of good is recognized on delivery of the products, when all significant contractual obligation have been satisfied, the property in the goods is transferred for a price, significant risks, reward and no effective control.
- iii) Interest Income is recognized on a time proportion basis by reference to the principal outstanding and at the interest rate applicable.

Q. FOREIGN CURRENCY TRANSACTIONS:**a. Initial Recognition**

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximates the actual rate at the date of the transactions.

b. Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c. Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non-Integral operations.

R. INVENTORIES:

Inventories are valued at cost or net realizable value whichever is lower. Cost of property under construction held as inventory includes cost of purchases, construction cost, and other cost incurred in bringing the properties to their present location and condition

S. PROVISIONS AND CONTINGENT LIABILITIES AND ASSETS:

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent asset is not recognised unless it becomes virtually certain that a flow of economic benefits will arise.

T. EMPLOYEE BENEFITS:**i) Defined Contribution Plan**

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

ii) Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is a determined based on valuation, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

iii) Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

iv) Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. An expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

v) Termination benefits

Termination benefits are recognised as an expense as and when incurred.

U. ACCOUNTING FOR TAXES OF INCOME:**i) Current Taxes**

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

ii) Deferred Taxes

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

"Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

iii) Minimum Alternative Tax

The Company has obtained the Section 115BAA as per Income Tax hence, MAT is not applicable. The company has also reversed all the MAT credit of Previous Years as Expenses / Income as obtained tax regime under Section 115BAA of Income Tax Act.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs.

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation Technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and FVM
Mutual Funds	The fair values of investments in Mutual fund units is based on the net asset value ("NAV") as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors	Not applicable	Not applicable
Non-current financial assets and liabilities measured at amortized cost	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.	Not applicable	Not applicable

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

- (a) Recognised and measured at fair value and,
- (b) Measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- The fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
- Use of quoted market price or dealer quotes for similar instruments
- Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

C. Financial Risk Management

C.i. Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

C.ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there are no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, when recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivables is not material hence no additional provision considered.

Ageing of Accounts receivables:
(Amt in '000)

Particulars	As at	As at
	March 31, 2023	March 31, 2022
Neither Past due nor impaired	21,789.00	15,336.00
Past due but not impaired	-	-
Past due more than 180 days	14,691.00	1,620.00
Total	36,480.00	16,956.00

Financial Assets are considered to be of good quality and there is no significant increase in credit risk

(b) Cash and cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of ₹2461.95 at 31st March, 2023. (₹7818.13 at 31st March, 2022). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

C.iii. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and borrowings.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

The Company maintained a cautious funding strategy, with a positive cash balance throughout the year ended 31st March, 2023 and 31st March, 2022. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required).

C.iv. Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

C.iv.a Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposures are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

C.iv.b Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.
